

# National Sickle Cell Advocacy Day 2020

April 20-21, 2020

Please join the Sickle Cell Disease Association of America, Inc. (SCDAA) as we advocate for those affected by sickle cell disease. On Advocacy Day, we focus on key legislative issues that are important to individuals living with SCD and their families, including promoting stable funding for research, better healthcare access, expanded programs, and increased education and awareness for the SCD community and programs throughout our nation.

We look forward to an exciting event that will feature:

- Welcome Reception
- Advocacy Training
- Meet Legislative Champions
- Collaboration with Federal Partners

## AGENDA
